# Bar Package

- **Beer and Wine Service:** The Berean Garden is licensed to serve a carefully selected range of beers and wines to complement your event. Our curated offerings include both domestic and imported options to suit a variety of tastes.
- **Customizable Beverage Packages:** While we currently offer beer and wine, our packages are designed to provide flexibility and customization, ensuring your beverage selection perfectly matches your event's style and atmosphere.
- **Fully Trained Bartenders:** Our bartenders are professionally trained and T.I.P.S. certified, ensuring that your guests receive attentive, responsible, and high-quality service throughout your event.
- **Seamless Service:** From setup to service and cleanup, our bartenders handle every aspect of the bar, allowing you to focus on enjoying your celebration without any concerns.
- **Compliance and Safety:** With our beer and wine permit and experienced staff, we ensure that all alcohol service complies with state regulations, providing a safe and enjoyable experience for all guests.
- **Customized Drink Menu:** Work with our team to create a personalized drink menu that includes your favorite beer and wine selections, tailored to your event's theme and preferences.
